

PACS & SACS Project:

Geodetic Control Data:

1. Login as Consultant to upload Geodetic Control Data after Geodetic Control Plan is approved. Select the Project from My Survey Projects and Project summary will be displayed.

The screenshot displays the 'Airports-GIS' web application interface. The top navigation bar includes 'Portal Home', 'Projects', and 'Airport View'. The user is logged in as 'Demo Consultant Cleveland'. The main content area shows the 'Project Summary' for project 'IAD-213241' in an 'In-Progress' state. The left sidebar contains a navigation menu with 'Project Summary', 'Statement Of Work', 'Geodetic Control Plan', 'Geodetic Control Data', and 'Verification'. The main content is divided into several sections: 'PACS and SACS' (WASHINGTON DULLES INTL (IAD)), 'Project Sponsor' (Demo Airport Sponsor), 'Surveyor/Consultant Information' (table), and 'Project Activity' (table).
