

Verification:

Verification workflow step is completed by NGS.

1. Login as NGS and select the project from My Survey Projects. Project Summary will be displayed.

The screenshot shows the 'Airports-GIS' web application interface. The top navigation bar includes 'Portal Home', 'Projects', and 'Airport View'. The user is logged in as 'Account (Demo NGS Verifier)'. The main content area is titled 'In-Progress IAD-213242 : Project Summary'. On the left, a sidebar lists project tasks: 'Statement Of Work', 'Imagery Plan', 'Survey & Quality Control Plan', 'Imagery Data', 'Survey', 'Final Report', and 'Verification'. The 'New Airport Survey' section provides details for 'WASHINGTON DULLES INTL (IAD)', including creation time, category, grant number, and purpose. It also lists requirements for 'Imagery Verification' and 'Survey'. The 'Project Sponsor' section identifies the 'Demo Airport Sponsor' as 'Testing' at '123 Main Street NW, Herndon, VA 20170'. The 'Surveyor/Consultant Information' table lists 'Demo Consultant Cleveland' from 'CGH' with phone '123-456-7890' and email 'democonsultant@cghtech.com'. The 'Project Activity' section includes an 'Add Note' button and a table of activities: 'Submitted Survey for Verification' at 9:55 AM, 'Submitted Final Report' at 9:53 AM, and 'Submitted Final Report' at 9:50 AM. A file 'Final_report.pdf' was uploaded at 9:50 AM.

Today 9:50 AM	Demo Consultant Cleveland	Submitted Final Report
Today 9:50 AM	Demo Consultant Cleveland	Uploaded File/Document

Final_report.pdf

2. Click on Verification workflow step.
NGS can upload optional document by clicking Add New Document and Select File to Upload.
Multiple documents can be added by clicking Add New Document again.

The screenshot displays the 'Airports-GIS' web application interface. The top navigation bar includes the logo, 'Portal Home', 'Projects', and 'Airport View' menus, along with 'Help' and 'Account (Demo NGS Verifier)' options. The left sidebar shows a 'Project Summary' menu with items like 'Statement Of Work', 'Imagery Plan', 'Survey & Quality Control Plan', 'Imagery Data', 'Survey', 'Final Report', and 'Verification' (which is currently selected). The main content area is titled 'In-Progress IAD-213242 : Verification' and features a 'Project Options' dropdown. Below the title, there is a 'Pending Action: Verification' section. The 'NGS Verification File Upload' section includes a 'Show Deleted' link and a table with the following data:

Date	Added By	Category	File Name	Action
Today 10:09 AM	Demo NGS Verifier	NGS Verification	NGS_Verification.pdf	

Below the table, there is a 'Verification document' section with an 'Add New Document' button. The 'Approve Verification' section contains a 'Comment (Required)' text area and two buttons: 'Approve' and 'Do Not Approve'.

3. Enter required comments to Approve or Do Not Approve.

Note: If NGS didn't approve the survey, consultant can upload a new survey file and submit for verification.

The screenshot displays the 'Airports-GIS' web application interface. The top navigation bar includes the logo, 'Portal Home', 'Projects', and 'Airport View'. The user is logged in as 'Account (Demo NGS Verifier)'. The left sidebar shows a 'Project Summary' menu with items like 'Statement Of Work', 'Imagery Plan', 'Survey & Quality Control Plan', 'Imagery Data', 'Survey', 'Final Report', and 'Verification' (which is currently selected).

The main content area is titled 'In-Progress IAD-213242 : Verification'. It features a 'Pending Action: Verification' section and an 'NGS Verification File Upload' section. The file upload section contains a table with the following data:

Date	Added By	Category	File Name	Action
Today 10:09 AM	Demo NGS Verifier	NGS Verification	NGS_Verification.pdf	

Below the table is an 'Add New Document' button and a 'Verification document' icon. The 'Approve Verification' section includes a 'Comment (Required)' field with the text 'New Airport Survey Verified and meets the standards' and two buttons: 'Approve' and 'Do Not Approve'.

4. Click on Approve. Verification workflow step is complete and it has green checkmark. This completes the New Airport Survey Project workflow.

The screenshot displays the 'Airports-GIS' web application interface. The top navigation bar includes 'Portal Home', 'Projects', and 'Airport View'. The left sidebar lists project stages: 'Project Summary', 'Statement Of Work', 'Imagery Plan', 'Survey & Quality Control Plan', 'Imagery Data', 'Survey', 'Final Report', and 'Verification' (which is currently selected). The main content area shows a 'Completed' status for 'IAD-213242 : Verification'. A notification box indicates 'Approved by Demo NGS Verifier - Today 10:17 AM'. Below this, a green checkmark icon and the text 'Approved Verification (Demo NGS Verifier - Today 10:17 AM)' are visible, along with a comment: 'Comment: New Airport Survey Verified and meets the standards'. A table lists the verification details:

Date	Added By	Category	File Name
Today 10:09 AM	Demo NGS Verifier	NGS Verification	NGS_Verification.pdf

Below the table, there is a document icon and the text 'Verification document'. A 'Project Options' dropdown menu is located in the top right corner of the main content area.
