Date	Rubbing By	Organization	Phone ( ) -
	Setting Information		
	Stamping:		
	Agency Inscription:		
Monument is:	<input type="checkbox"/>	Flush	
	<input type="checkbox"/>	Projecting	cm
	<input type="checkbox"/>	Recessed	cm

Remarks:

Instructions: Place the blank form (or other blank paper) over the mark and rub the entire disk with a pencil. Rod marks, rub only the designation and date stamping from the rim of the logo cap. If it impossible to make a rubbing of the mark, or if the rubbing appears indistinct, a sketch or photograph may be substituted.

**Paperwork Reduction Act Statement:** This form is used to document source information about an airport or aeronautical facility which is part of the National Airspace System (NAS). This information is used to document airport data relating to the safety, security, or capacity of the national air transportation system. It is estimated that it will take approximately 5-80 hours to fill out the all of the necessary forms for a project depending on the complexity. No assurance of confidentiality is necessary or provided. It should be noted that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control number associated with this collection of information is 2120-0569. Comments concerning the accuracy of this burden and suggestions for reducing the burden should be directed to the FAA at: 800 Independence Ave. SW, Washington, DC, 20591, Attn: Information Collections Clearance Officer, AIO-20.
